## **GOODMAN TAX CREDIT PROMOTION**

In an effort to promote the federal tax credit on high efficiency mechanical equipment, HVAC Supply will be offering GMH95 furnaces (95% AFUE) at GKS90 prices. In addition, SSX16 (16 SEER) condensers will be sold at SSX14 prices. The promotional pricing will save you about **\$100** on furnaces (10%-15% off) and about **\$250** (15%-20%) on condensers. Take a look at the additional flyer for more details. This aggressive price reduction will be available through the end of the year!

### **VSX Condenser Pricing**

The overwhelmingly positive response to GMC's VSX condenser series has led us to continue the special pricing through the end of September. The VSX line offers a high quality, energy efficient cooling option at a significantly reduced cost. Pricing is about **\$200-\$400** (15%-25%) less than the comparable GSX line.

There are still plenty of hot weeks ahead of us so take advantage these low prices while offering your customers a great value!

### **Get Educated!**

Technology in the HVAC industry is constantly changing. Stay current on the latest from Goodman/Amana with a free class from Goodman's Mark Stokes. Mark will be covering installation, trouble shooting, and selling points while answering all of your questions on the product line. A fully refundable deposit of \$25 will hold your spot. Deposit checks will be returned at the start of the class. Food and drinks will be provided. Classes start at 4:00 and finish by 7:00. Check the dates below and reserve your spot soon.

Ft. Collins.....	September 27th
Denver (Broadway).....	September 28th
Eagle.....	September 29th
Colorado Springs.....	September 30th

### **Summer Hydronic Sale**

HVAC Supply, Inc. will be continuing the sale pricing on a great selection of Hydronic equipment through September. During the month, you will find special pricing on popular products from Lochinvar, Taco, Honeywell, and others.

### **Business Hours**

HVAC Supply will be switching back to normal business hours on September 7th. We will open for business from **7:30** am to **5:00** pm (M-F).

Please note that all HVAC Supply branches will be **CLOSED** on Monday, September 6th in observance of the Labor Day Holiday.
